Multi Wealth Advisors Ltd. ("Multi Wealth Advisors") respects copyright law and expects its users to do the same. Multi Wealth Advisors will respond expeditiously to notices of alleged copyright infringement on the Multi Wealth Advisors website (the "Site") or through the Multi Wealth Advisors services that are reported to Multi Wealth Advisors's Designated Copyright Agent, identified in the sample Notice below. Multi Wealth Advisors does not permit copyright infringing activities on the Site and will, if properly notified that files infringe a copyright, remove or disable access to such files. Upon receipt of a Notice, Multi Wealth Advisors will take whatever action, in its sole discretion, it deems appropriate, including removal of the challenged content from the Site.

Counter Notice: Once an appropriate Notice of claimed infringement is received, Multi Wealth Advisors will follow the procedures, subject to the alleged infringer's right to submit a counter-notification claiming lawful use of the copyright or other intellectual property interest that is allegedly infringed. Please note that any Notices or counter notices received may be sent to Multi Wealth Advisors's legal advisors.
